

West Coulee Families,

As we approach the final months of this school year, we hope you are enjoying this time and looking forward to the upcoming school year at West Coulee Station!

In anticipation of the upcoming school year we have started to think about school supply orders and the best way to make this convenient and cost effective for families.

We are pleased to inform you that, as a school, we have access to bulk pricing through SchoolCash Online and other vendors recommended by our classroom teachers. Consequently, we will take care of ordering all necessary school supplies and ask each family to contribute a fee of \$60.00 through SchoolCash Online. Students will only need to bring personal items such as a backpack, water bottle, and gym shoes on their first day.

Additionally, a few classroom teachers have indicated that they would like their students to have an agenda. Families of those students will be asked to pay an additional fee of \$10.00 to cover the agenda's cost.

As well, as the school year gets started, there may be additional fees added to SchoolCash Online for activities such as Field trips/clubs/extra-curricular activities etc.

We hope this process works for everyone and eliminates a task off of your to-do-list, as well as saves you some money!

If you have any questions at all, please don't hesitate to reach out.
