### **– Early Education Program**

A banner for the Lethbridge School Division's Early Education Programs. On the left, three young children are sitting at a table, engaged in a craft activity with colored paper and markers. The background is a bright, clean classroom setting. On the right, there is text and a logo. The logo consists of three stylized, overlapping curved lines in blue, green, and yellow, followed by the text 'Lethbridge SCHOOL DIVISION'. To the right of the logo, the text reads 'Now accepting pre-registrations for 2025-2026' in green, followed by 'Early Education Programs' in a large, bold, black font. Below this, a paragraph states: 'Children with identified needs who meet Alberta Education's criteria receive personalized support from professionals—with additional spaces open to the public for just \$200 a month!'. At the bottom right, a yellow button with black text says 'PRE-REGISTER TODAY'. At the bottom left, a green bar contains the text: 'Research shows that rich, play-based environments and nurturing relationships are key to early learning success.'
