September 8-12 'Week at a Glance'

This week, we were truly grateful to welcome so many wonderful members of our community to our Grand Opening celebration. It was a special chance to connect with school board trustees, students, families, and government officials, and to share the excitement of this wonderful school community we are building together. We feel so fortunate to be part of this journey with all of you!

Visitor Sign-In Reminder

We kindly ask all parents and visitors to sign in at the office if you are staying on school grounds after dropping off your student or before picking them up.

This helps us ensure the safety of all students and staff by keeping an accurate record of who is on site at all times.

Thank you for your cooperation and support.

Nut Aware

Each year we have students with severe nut allergies. Please DO NOT send foods with nuts to school. Every attempt will be made to help ensure the safety of these students. While West Coulee Station Elementary is a "nut aware" school, we cannot guarantee that it is nut free

There will be a table set up in the Den for for students looking for a nut aware table to enjoy their lunch/snacks!
