The background is light yellow with decorative wavy lines and small pink and blue dots. There are two photos of the school's interior: one showing a desk and another showing a bookshelf. The WCS logo is present in the top center and bottom right. A blue starburst on the left mentions a prize draw for book or money donations. A speech bubble on the right provides contact information for those who cannot attend. The event dates and times are clearly stated, along with the location and book prices. Nut Aware

Each year we have students with severe nut allergies. Please DO NOT send foods with nuts to school. Every attempt will be made to help ensure the safety of these students. While West Coulee Station Elementary is a "nut aware" school, we cannot guarantee that it is nut free

There will be a table set up in the Den for for students looking for a nut aware table to enjoy their lunch/snacks!
