Book Drive

We would like to thank all those involved in our book drive. Over the course of three days, we had over 630 books donated to the school - over 230 picture books, 140 chapter books, 100 non-fiction, 110 holiday themed books and some Spanish fiction and non-fiction. Many of the books were chosen by kids who attend the school. They will be excited to see some of their favourite books in the library!

Friendly Neighborhood Books also donated 20% of the proceeds from the book drive to the West Coulee Station playground fund, which was \$250!

We had a number of sponsors from around the community donate items towards gift baskets for our draw. We would like to recognize the following for their generous donations:

Sylvan Learning Center
Coulee Climbing
Grassroots Realty
Good for the Sole Reflexology
Friendly Neighbourhood Books
Nightshade Tattoo Studio

Many supporters from all across Lethbridge really came together to support this cause, and we truly appreciate all the time, effort, donations, and support from the community!
